NEWS

"Precepts"

From the movie "Wonder" we took the precept, "When giving the choice between being kind and being right, choose kind." As you walk around our Junior and Senior High halls you will see each locker with two precepts. Students were asked to choose two precepts that best represented them. The precepts are a great way to get to know each student and also a way to motivate and inspire everyone that walks up and down our halls.

M.T.S.S.

We are in full swing of our M.T.S.S. interventions and progress monitoring. M.T.S.S. is becoming the norm for students, teachers, and paras. Everyone is getting accustomed to the program and working diligently to improve our scores. Teachers and paras are making adjustments as needed and we are seeing gaps closing in both reading and math.

K.A.Y. Unit Conference

On January 24, 2018, our K.A.Y. members hosted a unit conference at Axtell. The program includes guest speakers and a visit from the KSHSAA K.A.Y. Representative, Cheryl Gleason. The day was a huge success, a special thanks to Ms. Kaster, Montana Heinen, Makenna Koch, and our K.A.Y. members for their hard work on hosting. They K.A.Y. Club remains busy all year with several different activities.

Winter Activities

Winter activities are wrapping up at Axtell Public School. The junior high basketball teams ended their seasons last week in the OTL Tournament. Both boys and girls showed improvement throughout the season. The junior high is gearing up for their short scholar's bowl season. The high school scholar's bowl team came up just short of making another state performance finishing 4th at Regionals in Blue Valley. The high school basketball teams are on the looking to finish strong. The girls are 8-8 on the season while the boys are 7-9. Both teams have 5 games left before sub-state begins the last week of February at Blue Valley.
