NEWS

TVL Scholar's Bowl

On January 29th we hosted the TVL Scholar's Bowl. The day consisted of breakfast for the participants, 13 rounds of round-robin competition, lunch, and a trophy and medal presentation. I would like to thank Bruce Gunter and Linda Hopp for their efforts and putting this event together. I would also like to thank all of the faculty and staff for working the event. The event ran smoothly and even a little ahead of schedule. We couldn't have hosted this without all of the help. Another thank you to the Eagle Booster Club for providing pizza for the participants as well as assistance to Bob Kuckelman in the hospitality room. Thank you everyone for your time and effort!

Eagle Bash

The Eagle Booster club will be hosting their 5th Annual "Eagle Bash." This is the organizations biggest fundraiser of the year. The theme for this year will be "Grease Lightning" There will be a live and silent auction, comedian, Elvis impersonator, choice of meal, and drinks. This community raises around \$30,000 for the Eagle Booster Club and goes directly back to the school to help students, faculty, and staff. I would like to thank all members and the booster club board for their hard work and dedication to our school.

Parent-Teacher Conferences

Parent-Teacher Conferences are underway and we are excited to see so many of our parents in the building. PK-5 participate in regular parent-teacher conferences, parents are scheduled by the teacher and we see a majority of our PK-5 parents. The 6-12 is in there 2nd year of Student-Led conferences. This year students had the choice of creating a poster, presentation, writing a paper, or creating a video to discuss their year, accomplishments, and future plans. I was pleased to see the many different ways students chose to present to their parents. After the first night, many parents reported seeing growth in their student's ability to talk about their education compared to last year. Thank you to all of the Advisory Teachers for their efforts in helping students along this process and to all the teachers helping students perform their conference.
