SCHOOL NEWS

Introduction

I would like to take this opportunity and formally introduce myself and thank you for the opportunity to be the principal at Axtell Public School. My name is Jayson Tynon and this will be my 9th year in education. My wife, Erin, and I live in Axtell, we have a 3 year old son, Colson, and will be adding our second child in November. I'm excited and anxious for this next step, I'm looking forward to working with all of you.

Summer Maintenance

Has been going well and our janitors have been very busy. Some of the projects they have been working on and will work on include:

- Room re-assignments: 4th grade to High School IRC, 3rd grade to Elementary IRC, 1st Grade to 3rd Grade, Elementary IRC to 1st Grade, and High School IRC to 4th Grade.
- High School Boy's Locker Room: paint the floor and replace doors
- Painting Hallways
- New blinds in new 1st grade room
- General cleaning and maintenance of building

I would like to thank the custodial staff for their hard work this summer and continued effort towards improving our school.

Summer Activities

Summer Weights/Sports Programs have been going on since the first week in June. Weights has an average attendance of about 45 student athletes. Football and Volleyball camp are July 10 - 14. Boys will have around 20 out for football and the girls will have around 18 out for volleyball. Our students stay very active in the summer time with all the various activities available. Thanks to all the coaches who dedicate their time and energy to our school and athletes during the off-season and thank you to our athletes for coming in and taking advantage of the opportunity.

Room Re-Assignments

As mentioned the janitors moved several rooms at the beginning of the summer. The moves will allow all of our high school students to remain on the top floor except for music and physical education classes. It will also allow for a better grouping of our students for MTSS purposes as the grade K-2 will be on the main floor and 3-5 will be on the bottom floor. I would thank the teachers for the flexibility and their willingness to try new things as well all that helped move items around.

UPCOMING EVENTS

Date	Event	Time
August 2, 2017	Enrollment	7:00 AM - 3:00 PM
