NEWS

Fall Activities Wrap-Up

It has been another eventful fall for our fall activities. Volleyball ended their season against Valley Falls in Regional. The girls ended up posting a 17-19 record on the season and Kori Schmelzle, Hana Schmitz, and Kinsey Feldkamp earn all-league honor. Cross Country finished their season at the state meet in Wamego. Olivia Kuckelman earned a 7th place finish while Quinn Buessing grabbed a 4th place medal, the boys finished 4th as team just two points away from a trophy. The football team has posted a 9-1 record and will be in action again on November 9th against Waverly for a chance to earn a spot at Sub-State. Congratulations to volleyball and cross country on successful seasons and good luck to the football team as they try to keep advancing in the playoffs!

School Behavior/Social/Emotional Data

At our November 2nd PLC our staff looked at data from our SAEBRS, attendance, office referrals, and grades. After evaluating the data, we were able to set up interventions for our Tier 2 and Tier 3 students. The Behavior part of M.T.S.S. is similar to the ELA/Math part as we will then progress monitor to check on the progress of the student and if we need to make adjustments to the interventions. At this link you will be able to see our school wide BSEL Data: https://docs.google.com/presentation/d/14DeeN9FSM-alxbvomTNmPuBvZNRDgeir2_Edh4GN6wk/edit?usp=sharing

Veteran's Day Program

On November 9th at 2:00 PM the Student Council will put on their annual Veteran's Day Program for our local veterans. This is a great event put on by our Student Council and several area veterans attend the program. After the program the veterans and their families are invited for cookies and drinks. Thank you to Mrs. Schmelzle and the Student Council for putting the event together.

Apple Seed Grants

This year two teachers applied for and received Apple Seed Grants. Mrs. Mathewson and Mrs. Sandmann were recipients of two grants. Mrs. Mathewson's grant was for taking her class to the STARBASE Camp in Manhattan. This is a hands on learning project for math and science where students get to construct a rocket together and will be able to launch it the last day of camp. Mrs. Sandmann's grant was written for outdoor musical recess equipment. This will allow our students to utilize music while they play. Congratulations to Mrs. Mathewson and Mrs. Sandmann. I would like to thank the U.S.D. #113 Foundation for providing this opportunity for our students and teachers.

UPCOMING EVENTS

Date	Event	Time
November 5, 2018	OTL Vocal Clinic/Concert @ Onaga	2:00 PM and 6:00 PM
