Building Report April 2018 BOE Meeting

Field Trip:

- 3rd Grade: On March 16, the third graders visited Sabetha City Hall. Mayor Doug Clark taught the students about civic engagement through mock council meetings. Student mayors were elected and informed of the ways a council meeting is conducted. Judge Dieters also joined in to inform the students of their rights as citizens in a fair trial. Other council members were there to further explain the positions that govern our community. Students ended their field trip by taking a tour of city hall. We would like to thank everyone who participated in organizing such an informative program for our student.
- 1st Grade: On April 13, first graders will be traveling to Topeka to visit the Children's Discovery Center.
- Kindergarten: On May 9, kindergarten students and their teachers will be guests at the Topeka Zoo.

Day On The Farm: Sabetha High School FFA Members provided a very informative and entertaining program for our 3rd graders through their Day on The Farm event. Students were provided the opportunity to learn about animals, horticulture, and multiple other topics. We would like to thank all the high school students and guest speakers who organized this activity.

MTSS Implementation:

- SES will devote our April 6 PLC meeting to reviewing the progress monitoring process and analyzing student progress monitoring data. Adjustments to intervention instruction/groupings will be made where needed.
- Spring screening for Fastbridge assessments will be held during the window of April 3-May 9. Students will complete screeners in the areas of reading and math. Teachers will complete the SAEBRS screener as well.
- During CAP meetings in February and March, Mrs. Toedman and/or Mrs. Heiman met with each grade level to discuss recommended adjustments to the MTSS schedule for the 2018-19 school year. These recommendations were shared with Mrs. Gatz as well. Mrs. Toedman is currently working on the development of next year's schedule.
