Building Report July 2017 BOE Meeting

Summer Building Maintenance: The SES custodial staff is busy preparing the building for the 2017-18 school year. Head custodian Aaron Koch, Louis Aberle, and summer help Henry Glynn have completed a huge amount all ready. Most carpet and rooms have been cleaned and ready for teachers to organize. New carpet has been installed in the office. The library and band rooms will be done the week of July 10. Concrete for the new sidewalk has been poured and the fence will be installed toward the end of July. A new water bottle refill station has been installed.

Summer BLT Meetings: SES BLT members attended two-day district training with TASN to prepare for the upcoming school year. This took place on June 15-16 at SMS. Members planned for teacher inservice and finalized many tasks that will ultimately support an enriching learning environment.
