

Sabetha High School Building Report

To: USD 113 BOE

From: David Glynn

Date: 5/13/19

Re: May 2019 Report:

- **Recent Happenings:** All of our SHS athletes, artists and academics have been performing at the highest level and representing themselves and Sabetha High School community very well. Our Performing Arts Night, Art and Wood Show, and Vocal / Band performances were all successful. Accomplishments and accolades are numerous in all areas, and I am pleased with how our teachers, staff, coaches, sponsors, and students deal with both success and adversity with professionalism, humility, and integrity.
- **Activities:** Baseball, Softball, Track, and Golf are going well. State Tournaments are as follows: State Baseball and Softball: May 22-23. State Golf: May 20. State Track: May 24-25.
- **MTSS/Jay Time:** Students and teachers have completed behavior screeners. Data from those is being collected and will be analyzed for future use/discussions. Students are completing their final tasks for Career Cruising. Math and Reading Interventions are wrapping up.
- **Upcoming:** Graduation May 11 at 7:00 PM, Last day for students May 16th, Teacher in-service May 17th, Summer School begins May 21st, Alumni Banquet May 25.

Respectfully Submitted,

David Glynn
