Date: 4/4/18

Re: April BOE Meeting Building Report

1. **SMS Track:** We currently have 66 students out for track. Hiawatha informed us they would be unable to host the meet on April 30th. We have added a meet at Riley County for April 26th. Our League meet at Riverside has been moved to a 1 PM start time.
2. **Job Shadow Day:** On Wednesday, April 25th, our 8th graders will be participating in a Job Shadow Day. This is organized by Dana Michael.
3. **Band to Hiawatha:** Our 7th and 8th grade Band students will be participating in this event in Hiawatha on Saturday, April 21st.
4. **Loading Dock:** Our loading dock was recently repaired with steel plating to stop the deterioration of the concrete.
5. **Art Show:** On April 28th and 29th, Sarah Hasenkamp will be hosting an Art Show at SMS.
6. **State Assessments:** We are in the middle of our state assessments. Everything is running smoothly.
7. **SMS Site Council:** We held our last meeting of the year on April 3rd. Subjects from the year were reviewed and discussed. They included: building goals, Outside Visitation Team date, MTSS, school safety, Kansas Vision for Education, SMS Behavior Matrix, Career Competency Wheel, Career Cruising, State Assessments, school finance and school policies.

Thanks,
Matthew D. Garber
