Date: 1/2/18

Re: January BOE Meeting Building Report

1. **SMS Building Maintenance:** Dean Strathman prepared our building for several rentals towards the end of December and monitored all of our equipment during the recent cold spell. We are expecting Schneider to fix several air dampers that are working improperly.
2. **Boys Basketball:** Our teams will begin their season hosting ACCJHS on Thursday, January 4th at 4:30 PM.
3. **PTO Spelling Bee:** SMS will host the PTO Spelling Bee on Friday, January 5th starting at 1:45 PM.
4. **MTSS:** SMS interventions are scheduled during our Seminar time from 2:31 – 3:00 PM. All of our interventions are provided by Teachers. At the start of January, we will be reviewing our second round of Progress Monitoring for students currently receiving interventions. We will also be reviewing the second round of FastBridge screeners for all students.

Thanks,
Matthew D. Garber
