NEWS

Spring Activities

Spring activities got started last week with the Junior High having their first track meet at Washington County. This week the High School Track team traveled to Valley Heights and the Junior High Track Team will be traveling to Frankfort. The High School has 24 participating while the Junior High has 34. Both teams have been doing what they can outside but have spent a lot of time conditioning and prepping inside on the treadmills, stairs, and in the gym. I hope that they get some better weather and are able to consistently be outside. Good luck to everyone!

State Assessments

State Assessments are underway, we kicked off them off with a Pep Rally encouraging students to do their very best. The month of April will be full of assessments and we will be completed building-wide by the first of May. I would like to take this time to thank all of the teachers and their hard work and dedication to preparing our students for this task. I appreciate all they have done this year, especially the flexibility and positive attitude during this extremely difficult year. Thank you for adjusting to crazy schedules with remote learners, early releases, late starts, and days off. Everything you have done has helped our students grow in all areas.

Sophomore Job Shadows

Our sophomores spent Wednesday, March 24th job shadowing and looking at some of their career interests. Students observed careers in Agriculture, Health, Business, and we even had a couple in Education. Students will follow up with discussions and a presentation about their experience. I would like to thank all of the mentors, businesses, and organizations that allowed our students to come shadow. I would also like to thank Deb Ronnebaum for her work and for putting the whole day together.

Administrative Assistant, School Nurse's, Lunch Hero Day

The end of the year has many appreciation days and I would like to take the time to recognize a few individuals in our building. A big thank you to Rachael Deters, Tammy Porting, Laurie Cameron, and Donna Heinen for their hard work, dedication, and commitment to everyone involved in our school and communities. They all wear so many hats and are willing to help anyone and anywhere when needed. They all do an amazing job and are appreciated greatly for all of their contributions to our school.
