Beginning of the Year

Students in Axtell School have had a great start to the school year! Our StuCo members and Cheerleaders created an inviting and celebratory atmosphere for our students. StuCo got the entire staff involved in writing and drawing in chalk on our sidewalks prior to the first day of school. They also had donuts and juice, plus some welcoming signs for our younger students to take their picture with our Eagle mascot in the commons. The cheerleaders decorated the halls in celebration of our first volleyball game. Students loved the blue and red streamers and balloons, and cheerleaders took turns with motivating announcements for our students and athletes. Each of our junior high and high school teams have started the fall season with some great wins as well!

We are excited about our new staff members: Aaron Duryea - grade 4, Phil Becker - music, Caryl Schell - PreK Para, and Deb Ronnebaum adding to her previous role to now include social studies. Our staff has done a great job starting out the school year. Plus, our behavior referrals have been reduced down to only 1 student so far this year, which is drastically improved from previous years. Go Eagles!
