Re: Board of Education Building Report

Building Highlights:

General cleaning and maintenance continues to take place. In addition, we are preparing other measures to ensure that we are in compliance with the Navigating Change guidelines and keeping students, staff and community members safe. Sanitizer has and continues to arrive. Thermometers for temp checks are also in the office. Additional masks, sanitizer stations and other PPE have been ordered. Teachers are working to plan for set up of classrooms and content delivery. The SHS Building Leadership Team continues to meet to address operational issues as we prepare for students in the building.

Masks:

All adults and students are required to wear masks inside the building.

Graduation:

Graduation was held July 26th at 5:30. The event was a success, and graduates, families and guests appreciated the ceremony.

Enrollment:

Online enrollment is currently open. In person enrollment will take place at SMS on 8/5/20 for 7:00-7:00.

Athletics/Activities:

SHS sports practices will begin Monday, August 17th. Prior to practice, students must have a KSHSAA concussion form and physical on file with the school. Students participating in athletics will be provided the opportunity to take the Impact test which SHS uses for the assessment of concussions.

First Day Of School:

Tuesday, August 25th is the first day of school. The school day will run from 8:00-3:25. Students will receive their iPads along with technology support and guidance. In addition, grade level groups will receive information from the handbook, participate in a brief orientation, and have the opportunity to attend classes and meet teachers.

Respectfully Submitted

David Glynn
