Re: March 9, 2020 Board of Education Building Report

Building Highlights:

Wrestlers finished their season well, sending 3 Bluejays to State. Bluejay Boys Basketball has concluded their season and showed growth and improvement throughout. At the time of this submission, Girls Basketball is still in season. SHS custodians are working hard to clean and sanitize in order to keep sickness down. Doors, desks, chairs and other high touch areas and items are being cleaned and sanitized daily.

Upcoming Events:

Stop Trafficking Presentation March 8th and 9th, State Basketball- March 11-14th, Spring Break 16-20, Spring Play 27-28th, Inservice-March 30th

Innovative Learning Opportunities:

Seniors had the opportunity to participate in a financial literacy assembly on Feb. 25th. This was a great event, and students appreciated the experience. Juniors took the ACT and WorkKeys on Feb. 25th and 26th. These are long mornings for students but the opportunity is beneficial for all of our 11th grades to assist them to better prepare for post-secondary schooling, the workplace, the military, or any vocation they are considering. We are looking forward to early April wherein we will offer students the opportunity to visit local industry, as well as participate in some special life skills sessions. These are scheduled to be in conjunction with our state assessment dates. In the classroom, teachers continue to strive to reinforce social and emotional skills for students in order to serve them with not only content but soft skills as well (Self-Regulation, Assertiveness, etc.).

Respectfully Submitted
