1. **PTO Spelling Bee:** We will host the PTO Spelling Bee on Friday at 1:45 PM. We are planning to provide 2 tickets to each participant. We are also planning to livestream/record the event.
2. **Boys Basketball:** Our season will be starting on Monday, January 11 at Jeff West. Each school will have some differences in how they will host events in their school facilities. We are planning to use our regular facilities: SMS gym and SHS JV gym. We are planning to livestream these events to the YouTube channel, Sabetha Media.
3. **Scholars Bowl:** Our Scholars Bowl team will begin practices soon. With preliminary league discussions, these contests will look much different. Final procedures will be determined soon.
4. **Second Step:** Our scheduled curriculum will start up again on Wednesday, January 13 during our Seminar time.
5. **PLC:** During our PLC time on Monday, January 11<sup>th</sup>, we will be reviewing our FastBridge data and MTSS groupings. We will also discuss the start of our 2<sup>nd</sup> semester and procedures that need to be reinforced such as our Behavior Matrix, IPAD Bootcamp and Navigating Change. We will also discuss ideas for our new building goals for the next cycle of KESA.
6. **Recognition Assembly:** We will be recognizing our Quarter 2 honor roll students, Girls Basketball and Wrestling on Wednesday, January 6<sup>th</sup>.
