Re: November BOE Meeting Building Report

- 1. School Athletics:** Our Girls Basketball teams have 35 team members: 8th – 12, 7th – 23. Our Wrestling team has 12 team members: 8th – 9, 7th – 3.
- 2. Dance:** We held our first school dance this past Saturday evening. We had approximately 140 students in attendance. It certainly looked like they had fun!
- 3. Red Ribbon Week:** This past week we recognized Red Ribbon Week. Our students voted on the following themed days. They were Hat Day “Show that you don’t flip your lid in stressful situations”, Anything but a Backpack Day “Turn your back to bullies”, Western Day “Give drugs the boot”, Fake Injury Day “Use slings and bandages to help show that even when we’re down, we stand together against drug use and bullying” and Top Gun Day “Show that you are a Maverick and can ‘Cruise’ above drugs and bullying by dressing like an aviator”. Dana Michael and Kodi Shouse organized these events.
- 4. SHS Musical Matinee:** We will have a student incentive day this Thursday in order to attend the SMS Musical Matinee. Low grades and missing work will be the criteria used.
- 5. PLC Meeting:** This past Friday on Early Release day, our staff reviewed and discussed the following topics: SMS Building Goals, Resiliency Training, reviewed SIT form, Lead/Lag measures, SAEBRS and MySAEBRS and building BSEL data (social emotional, grades, attendance and office referrals)

Thanks,
