Building Report
July 2020 BOE Meeting

<https://www.facebook.com/Wetmore-Schools-839200182793735/>

Summer Maintenance: Summer maintenance continues to progress. Thank you to Joe, Martha, and Storm for working hard to complete the necessary items.

Summer Meal Program: The summer meal program continues to be a success in both Wetmore and Goff, serving 30-40 students each day. Thank you to Deb Potter and Dawn Brown for preparing and overseeing the summer meal program. Thank you to all who volunteered to deliver summer meals as well.

Gym Floors: Pur-O-Zone refinished both gym floors on Friday, June 19.

Graduation: The date and time for the 2020 Commencement is Sunday July 26th at 12:30 PM. Excluding restrictions, graduation will be held in the New Gym. The following adjustments to the traditional ceremony have been communicated to graduates and families.

- Members of the public not invited by a 2020 graduate are asked to **not** attend the ceremony.
- Graduates are asked to limit invited guests to **ten or fewer** individuals.
- Those in attendance are encouraged to wear masks.
- There will be no in person band performance during the ceremony.
- Graduates will be distanced from one another during the ceremony. Families and guests will be distanced from others while seated on the floor and/or in the bleachers. Instructions will be posted.
- The ceremony will be live streamed through the Wetmore Facebook page.

At this time, we look forward to an in-person Commencement Ceremony as outlined above. However, if we are unable to gather due to additional forthcoming restrictions, graduates will receive diplomas in an alternative ceremony which will take place *outside of* Wetmore High School on July 26th at 12:30 PM. Details of the alternative ceremony will be shared in a timely fashion if restrictions necessitate.
