## Building Report March 2020 BOE Meeting

<https://www.facebook.com/Wetmore-Schools-839200182793735/>

**Middle School Track:** Track practice has started and we have 24 students participating this year. Our first track meet will be Thursday, April 2 at Doniphan West. Good luck this season to the students and Coaches Kayla Thayer and Staci Honas!

**High School Track:** High school track practice will begin Monday, March 9. We have 25 students participating this year. Our first track meet will be Tuesday, April 7 at Oskaloosa. Good luck this season to the students and Coaches Seth Stiers and Nicole Hanzlicek!

**OTL (Oregon Trail League) Band Clinic:** We attended the Band Clinic on Monday, March 2 at Troy. Students from league schools worked with a clinician in the afternoon and then performed that evening together as an entire league. The evening was enjoyable and the students did an outstanding job.

**Spring Play:** The cast for our Spring Play, “Game of Myths”, has started practice. The play will be performed Thursday April 2 and Friday, April 3 at 7:00 PM. Good luck to the students and Mrs. Boyd!

**Booster Club:** The Wetmore Booster Club will sponsor their annual 3 vs. 3 basketball tournament fundraiser on March 21.

**Spring P/T Conferences:** Students in grades 6-11 participated in student led conferences this spring on February 3 and February 5, 5:00-8:00. Overall, we were very pleased and students are much more confident in the expectations. We continue to evaluate the process and look to make adjustments and improvements for next year.

**Advisory:** Grades 6-12 continue to meet monthly and work on their Individual Plans of Study and Xello. A special Thank You to Mrs. Evans and for her guidance and work to help our students prepare for their future! Thank you to the student IPS Ambassadors and advisory teachers for their work as well!

**MTSS:** We continue conversations about progress monitoring in Reading and Math for intervention groups. We also continue our focus on MTSS implementation with fidelity. We have set up intervention groups based on our winter screening data and have started interventions. We are continuing conversations about our behavioral/social emotional data and are discussing possible individual support in the area of social-emotional learning. Our guiding questions continue to be: Are students making progress? Are interventions working? How will we continue to use the data? We reviewed our winter screening behavior/social emotional data to identify where we need to make improvements in Tier 1 for implementing the teaching and reinforcing expectations and correcting behaviors. We continue implementing and reinforcing our behavior/social emotional curriculum lessons. We continue discussions regarding school climate/culture. Again, Thank You to the BLT, teachers, instructional staff, Mrs. Gatz, and the TASN Team for their work and assistance with these MTSS interventions.
