

# Power Hour

- Scheduled from 3:30-4:30pm
- Students can be assigned by a teacher for the completion of multiple late homework/additional help from teacher.
- Students may self-assign to use the computers or work on group projects.
- If student is assigned by a teacher, students must stay until 4:30 unless designated by assigned teacher.
- Power Hour is limited to 12 students.
- If a student is assigned by a teacher and does not attend a detention will be assigned as the space is limited and other students may have been turned away.
- Power Hour should be a place to complete assignments and gain teacher help. If the student is not using this time effectively (behavior issues), he/she may be asked to forfeit the benefit of attending.
